

Tales of love and lust between heroic men of the human and no-so human kind. Kerry Greenwoods take on a host of myths, legends and fairy tales are all imbued with a wonderful sense of time and place. There may be vampires, minotaurs, wolves, selkies and wizards in these pages but they all add up to a wonderful collection of happy-ever-after male-male love stories. The third in a 3-book series, following Herotica: Adventures in Love & Time vols 1 and 2. Mytherotica explores myth and legend in 23 stories of adventure, romance, lust, and above all love. Kerry Greenwood - the creator of the fabulous Phryne Fisher - is also the author, for Clan Destine Press, of Out of the Black Land; the Delphic Women trilogy: Medea, Cassandra and Electra; and Salmancis.
