

A sexy novel of betrayal, desire and the price that one pays for decisions of the heart. Sam Waters has always wanted something better than his life in lowly little Duck Creek. But how could he leave Ever, the girl he's protected from an abusive father since they were little? She needs him. Until one explosive night changes everything. And suddenly Sam is on the run, a wanted man. He lands in Nelson Island, South Carolina--gorgeous, sunny and home of Aston Hopewell, heiress to her father's international conglomerate. Aston has never met anyone like the hot ranch hand. Sam is so driven, so intense. And he gets her like no one else ever has. But even he won't tell her everything... Sam has sacrificed everything, and his only reward: betrayal from his brother and Ever back at home. Now he stands at a crossroads with one chance to get it right with the sexiest woman he's ever met...if it's not already too late. (70,000 words) Also in this series: Ever Always (a novella) - Ever and Hunters story
