

One bullet made it physically impossible for Sarah Bryant to fulfill her dreams of a military career. With her family's sympathy suffocating her, she escapes to Stone River, Texas, determined to rebuild a life and maybe find a new dream. Silas and Jeremy are two brothers who are as different as Texas is big. One is an adrenaline fueled former Army medic, the other is a laid back tow truck business owner. The two things they have in common? They know they want to live life in a ménage relationship, and Sarah is the woman for them. Sarah has too many doubts about herself to believe she can be enough for one man let alone two. Can these souls find what they need to grow together, or will they leave more emotional scars to match their physical ones? This Veterans Day, find home in the heart of our heroes with Broken Surrender, part of the Red Hot Heroes multi-author series and stands alone for reading enjoyment.
