

Is Italy a united country, or a loose affiliation of warring states? Is Italian football a sport, or an ill-disguised protraction of ancient enmities? Tim Parks goes on the road to follow the fortunes of Hellas Verona football club, to pay a different kind of visit to some of the worlds most beautiful cities. This is a highly personal account of one mans relationship with a country, its people and its national sport. A book that combines the pleasures of travel writing with a profound analysis of one countrys mad, mad way of keeping itself entertained.
