

She Never Knew How HOT the Swinger Lifestyle Could Be... Sandra Palmer is a successful entrepreneur with an independent spirit. She is usually busy with her clients, but she craves a social life and a sense of adventure. When Bill Malloy decides to solicit her for her services, she is in for a tantalizing surprise. Bill Malloy and his wife Mandy are swingers, and they host several events at their estate every month.

Sandra decides that she'll accept the project as events management specialist, and she is told that although she doesn't need to participate in any of the sexual activities, she is nevertheless encouraged to do so. She attends one of the events as a trial, and in an unexpected moment of spontaneity, ends up in a situation that she never could have imagined. She realizes that the swinger lifestyle is both exciting and unpredictable, and although still trying to sort her feelings about it all, she still commits to working at the estate. Sandra is shocked to find out that Mandy, although a swinger like her husband, is also a jealous woman who has planned to blackmail Sandra with incriminating photos of her and Bill in the courtyard. What happens next is an intriguing sequence of events that involves Bill retaliating against Mandy, and Sandra being forced to decide if she will ever return to the estate. Do Bill and Mandy still have a chance to retain their marriage after Mandy's devious behavior? Will Sandra become Bill's new woman? In an exciting sexual adventure, only time will tell what happens next... **DOWNLOAD NOW AND FIND OUT WHAT HAPPENS!**
