

Donny left his childhood pack behind him when his father couldn't accept the fact that his son was just an Omega. Destined to be the lowest on the pecking order of the pack, Donny acts out in ways that are sometimes not too healthy for his wellbeing. Proctor is coming to Black Creek to visit an old friend. The last thing he expects is to find himself hanging out with some young, blond brat. What's more, Proctor doesn't expect himself to be attracted to the little troublemaker. But things aren't what they seem to be in Black Creek, and as Proctor digs deeper, he discovers secrets that are explosive. Will he be able to accept the truth? And more importantly, will he be able to accept Donny?
