

Billionaire Donovan James is not pleased. His young wife, Kelsey, hasn't provided him with any new video recordings of her secret trysts with workers to watch in over one week. He gives her until that evening to fix the situation. Kelsey is stumped for a solution and decides to record herself in bed while she watches her videos for some sort of creative and physical stimulation. When her new South American maid stumbles in on the scene and is invited to join her on the bed, the action gets much more interesting. Donovan returns home early to find his wife in a compromising position with the help that she hadn't reported planning. Will the demanding Donovan be angry or excited? A startled Kelsey knows their marriage depends on his reaction. But whatever her wealthy husband decides, she'll have it all on video. This steamy short read is the final book of a four-part series by USA TODAY bestselling contemporary romance author Layla Wilcox. Written for adults, 18+ only!
