

What if suddenly every hot guy wanted you? The curvy, eternally-awkward wallflower, Sakina Lightbourn, knows exactly what that's like. Picked on, or even worse, flat-out ignored by every member of the opposite sex since puberty, she's dragged across the globe to a new school in the hauntingly beautiful Bahamas. Her first day was no paradise, though. Accused of stealing some sort of werewolf medallion, bullied, and then getting into a fight with her mom, things couldn't have gone worse. But then she meets Dax, the super sexy boy from her class who has more than just animal magnetism. One mysterious night with him and everything changes. Now she's strong, confident and every hot guy wants her. But, was it a good idea to attract the attention of the dark, brutish Lane Lafleur? Sure, he's gorgeous and built like a Greek god, but he's as hot as he is dangerous. And when he pulls up to her house one full-moon demanding that she go with him, she isn't prepared for where he would take her, who she would become, and what would happen next. 'TURNED AND TAKEN' is book 1 & 2 of the Packed series from international bestselling author Alex Anders. This hot new adult adventure is for those who love continuous stories where full-figured young women are swept away by a hot alpha male werewolf, while dealing with their family drama, and the conflict that comes with being claimed by 2 warring wolf packs.

45,000 words * This romantic, new adult adventure contains graphic descriptions of sex written to create extreme arousal in the reader.
