

The poor economy has forced Dallin to return to prostitution to avoid homelessness, but when his old pimp hooks him up with a wealthy Dom, Dallin figures its too good to be true. William is older, wealthy, experienced, and a complete dominant. Hes the sort of man who can go to a club and pick up a dozen subs, and yet he wants to hire Dallin. William knows how to succeed in finance and the bedroom, but trying to keep a relationship going is a far more difficult proposition. Instead of dealing with the messy reality of the club scene or dating, he decides to hire a sub. While William would like to have a long-term relationship develop, hes not expecting anything. However the longer he plays with Dallin, the more he realizes that he wants more. Dallin is willing to give his body to William--he enjoys the bondage, the games, and ropes and toys. Hes more wary about trusting William with his heart. William is a master of domination, but for Dallin he wants to learn to love.
