

Felicity Forrest has the perfect job as an investigative blogger for Everyday Supernatural. This curvy girl gets sent to the Aran Islands to find out whether a púca shape shifter is responsible for the strange accidents haunting a construction site. Niall O'Leary is tall, broody, and totally alpha. His mission is to discover why the veil between the human world and the Realm has lifted. And as the Chieftain's son he must find a mate or his twin will be promised to a stallion he despises. He has a duty to his family, his clan, and a need for offspring. Otherwise the púca could become nothing more than folklore. Passion and frustration ignite when a curvy human female tempts his inner stallion like no other. There's only one problem... She just got out of a relationship that left her broken hearted. Is she ready for a second chance at love? Reader Note: This novella is part one of a series/serial romance. It is not standalone. This book is for those who are 18+. It contains explicit language, sexual situations, and one helluva cliffhanger. However, if you like curvy shifter romance, a stallion who can't resist his curvy woman, and a dash of humor, then this is the story for you. Please read these books in order. Enjoy!
