

After the explosive blow up in Prague, the Medlov men are burdened with the task of returning to business as usual. Dmitry heads to Angola, Africa to help fuel a civil war, and Ivan heads to London to murder the Irish gang, The Sulfux Boys. Only nothing can return back to the way it was before the boys faced Boss Smirnov. Dmitry accidentally unveils Elsa's plot; Ivan and Arie do the unspeakable, and an old enemy becomes a new ally. Plots thicken and alliances form in the latest installation of The Chronicles of Young Dmitry Medlov: Volume 5 by national bestselling author Latrivia S. Nelson.
