

Step into the action-filled, suspenseful world of the anomalies, where some humans are gifted with extraordinary psychic powers. Time Thieves, Mind Raiders and Soul Stealers are in a battle of survival against the crime lords and secret government agencies hunting them for their abilities. Welcome to a world where these anomalies risk everything to survive...and risk it all to fall in love. Includes previously released novellas: Time Thief - Bay North wants revenge, no, she craves revenge. Hunted for her psychic ability to steal time and forced to watch her family die, all she wants is to make the crime lord who's taken everything from her pay. But now he's set the ultimate hunter on her trail and Bay will need all her skills just to survive the gray-eyed, hard-bodied man out to kill her. Mind Raider - Mara Ross takes crap from no one. Especially not the bastard crime boss who tortured her for her psychic ability to control minds. Now he's kidnapped another woman and Mara will do anything to save her--including joining forces with the most deadly, powerful man she knows. Soul Stealer - Schoolteacher Cate Hartmann was kidnapped and forced to use her psychic ability to kill. Now she's a killer with an addiction to stealing souls. She fights to recover but only one man calms the storm inside. A genius anomaly scientist--with a sexy, muscled body under his lab coat--a man she's too afraid to touch. Salvation - He was once a power-hungry crime lord and John Brown can never forget it. He's lost most of his memories--most of his soul--but no one trusts him...not even

himself. Then his calm, boring existence is shattered when he wakes up chained in a secret underground lab. Tortured, experimented on, his only hope is a feminine voice in the darkness.

Q & A with the Author

Q - How would you describe the Anomaly Series?

A - One part science fiction romance with a dash of the paranormal, a lot of action, and a little pinch of X-Men. I wanted to write about ordinary people gifted with extraordinary abilities that put them in the firing line. These novellas aren't long but they are packed with lots of action and romance.

Q - Why did you want to write the series?

A - I love action, adventure and romance. And I love science fiction romance and all the endless possibilities. The Anomaly Series were the first stories where I really sat down and wrote what I really wanted to write: action romance. The entire series started with a single image I had: of a woman standing in a bank about to rob it by stopping time. I had to find out more and the result was Time Thief.

Q - What order should I read the books in?

A - All the Anomaly Series books have stand-alone romances in them but the action arc against our bad guy, Leven, grows with each book. I really think you really need to read these in order. Here's the order I suggest:- Time Thief- Mind Raider- Soul Stealer- Salvation

About Anna: I'm passionate about all things action romance. I love stories that combine the thrill of falling in love with the excitement of action, danger and adventure. I write about people overcoming unbeatable odds and achieving seemingly impossible goals. I like to believe it's possible for all of us

to do the same. The Anomaly Series:-
 Science Fiction
 Romance- Action Adventure
 Romance- Paranormal Romance-
 Genetic Engineering- Military
 Romance
