

Save big on this bundle set of three Kim McMahon books--action, danger, suspense! **MARKED IN MEXICO:** An idyllic Caribbean vacation turns deadly when hostages are taken at one of Mexico's most popular Mayan ruins. The kidnapers believe the abduction will be a simple way to negotiate the release of a colleague from a Texas prison, but the stakes become much higher when they realize one of their hostages is the daughter of a powerful U.S. Senator and another, an ex-Army Ranger who has no intention of playing by the rules. After a daring escape the Senator's daughter, Jessica, and the ex-Ranger, Jack, must endure a terrifying manhunt and a desperate fight for survival. While trying to stay alive in the unforgiving jungle they forge a bond that will last a lifetime and find love neither wanted, but were unable to avoid. **DEADLY EXODUS:** Their love is forbidden...their lives in danger... Trapped in a dystopian America where men are being exterminated and relationships are forbidden, Nyla is determined to change the course of her future and protect Ethan. Fleeing means abandoning her grandmother and imprisoned mother, but Nyla and her friends will do anything to escape an authoritarian government which has stolen their freedom and prohibits personal expression of any kind. Desperate and dreaming of a new life, the group makes a run for the Mexican border through the inhospitable Big Bend region of Texas. Persistent patrols track and corner them, while a vast and desolate landscape inhabited by brazen predators tests their ability to survive. Will they live to

realize their dreams of a new life and a chance at love? **BIG HORN STORM:** Niki Garat tolerates her job and the city, but she lives for her summer vacation with her grandfather at his sheep camp in the stunning Big Horn Mountains of Wyoming—until this year. When the U.S. comes under attack, including an aggressive attempt by foreign invaders to locate nuclear missiles hidden throughout remote western lands, the serenity of her mountain refuge is shattered. As area ranches are commandeered, neighbors and friends, including Deuce, her childhood infatuation, band together. Throughout their struggle to stay alive, Niki begins to understand what came between her and Deuce, but before past mistakes can be corrected they must endure a terrifying manhunt and a desperate fight for survival.
