

[Menage Amour: Erotic Cowboy Menage a Trois Romance, M/F/M, HEA] Trouble is following Patricia Graymont home. But she needs somewhere to hide for a while, to sort through everything that's happened, and as the saying goes, there really is no place like home. The only problem is having to face the two men she still loves and once left behind. Blake Jacobson and Corbin Franks have worked on the Graymont Ranch for as many years as they can remember. They have a love for the land and the work they do is to keep it as natural as possible. They also both love the owners daughter, but once upon a time, they had to let her go to become the woman they always knew she could be. Her homecoming was everything Patty could hope for, and more. Already feeling a little raw emotionally, seeing Blake and Corbin again was like a healing balm to her soul. Now, all they have to do is survive the coming storm. \*\* A Siren Erotic Romance
