

From USA Today Bestselling Author Nora Flite comes the Body Rock series Boxed Set: For the first time, the bestselling series is collected in one place for easy reading. Lola Cooper: Sometimes fame falls into your lap. If it does, it isn't a blessing. It just means you have to struggle harder than anyone to prove you deserve it. My struggle should have been with the fans, with the music. Not with a lead singer who wanted nothing more than to watch me crumble under his lips and fingers. Dresden Halifax: She's in my head and my god damn blood. I can't fight it. I've stopped trying. Music was everything to me. Now I just want her. Even if it means I'll tear her to shreds, even it means ruining her for everyone else... Lola Cooper is going to be mine. And I'll do anything to make that happen. Genre: New Adult Rockstar Romance This is the complete collection of all four books of the Body Rock Series 100,000+ words
