

In book Three of Morgana Patrick's Time Travel Action & Adventure Series she brings you back once again to the world of Time Keepers: Guardians of the Mayan Secrets to stand alongside our heroine Nai Winchester, as she battles evil and her own deadly desires. Only a few days ago Nai was a care-free archaeology student with an insatiable appetite for freedom and a taste for dispensable lovers.

Now, after a mind-blowing turn of events, she's found herself a time-traveler and defender of ancient secrets that threaten to leave mankind ravaged if they fall into the wrong hands. Can Nai defend the ancient order of nuns that are depending on her powerful young body and her hard-ass attitude, or will she be dominated by the monstrous desire within her? Can she trust the rugged, time-traveling stranger who seems to know her body like no one she's ever met, or will she seal her own fate by succumbing to his overwhelming masculinity? Scroll up and get your copy of "Taken Through Time" now to find out whether Nai can triumph over evil before she's completely consumed by her fiery lust!
