

A successful oral surgeon and loving family man, Dr. Michael O'Brien enjoyed years of professional and personal satisfaction before experiencing his dream. His life, however, was lacking in spiritual inner peace. His passionate search for answers climaxed with a profound experience - a divine vision in which he asked and received the answers to some of life's most bewildering questions. O'Brien's personal epiphany was not unlike those of others - a sudden, intensely emotional event that changed his life forever. In *The Dream*, he recalls the details of his experience, reassuring readers of their meaningful life, and drawing them to the path of God's love.
