

May you live all the days of your life, wrote Jonathon Swift. This work addresses baby-boomers who are thinking about the remaining years of their life. The author offers life-enriching discoveries and activities that will add meaning, pleasure, and satisfaction to the days ahead. The books suggestions are not tasks to be done in a sequence. Any combination has the potential to make life better. Its Not Too Late is a guide for thinking about how to make the most of the rest of ones life.
