

Lincoln Stallworth, bass player for Black Ice, has quietly watched each of his band mates fall in love and has accepted the fact he probably never find the same for himself. He doesn't really believe in true love, couldn't fully understand the absurdity of it, or the notion there could be just one perfect person for everyone. A debilitating health issue began to shadow Lincoln in the middle of their last tour. As his physical symptoms worsen, Lincoln has to fight the urge to hide from the world and himself inside his estate. Aaron Baylor enters Lincoln's life at his lowest point. Lincoln feels broken, damaged beyond repair, and he's ready to give up. Aaron's patience and unwavering support slowly begin to pull Lincoln back to being present in his own life and gives him hope for a future and for love. Will Aaron be the glue that holds the broken pieces of Lincoln's life together? Can Lincoln fight his way back to good health and take a chance at love? Or will the task be too great for Lincoln to handle?
