

Often compared to the Black Dagger Brotherhood series by J.R. Ward, the Dark-Hunter Series by Sherrilyn Kenyon, and even the Vampire Huntress Legend by the late, great LA Banks, The Dragon Queen Series will take you on a thrill ride that's guaranteed to leave you wanting more. The mysteries of the world have been hidden from you all your life. I beseech you to stay, so that I may give you but a taste of the truth you seek. ~ Demetri Bithanos Sink your fangs into this edgy tale, consumed with dark romance, blood lust and creatures that lurk in the night. R&B sensation, Sharayna Rayne Piers, lives her life dedicated to her music. On stage and in the studio, she pours her heart and soul into the lyrics of her songs, hoping to deliver a piece of herself to the listeners. But ever since her twentieth birthday, her seemingly normal life has taken a turn to the dark side. Piercing screams and horrendous acts of murder seize her mind, haunting her night and day. Women similar to her in age are vanishing all over the world without a trace. It leaves Rayne wondering if the rash of disappearances is connected to her visions. Soon, she will discover the world she was raised in is just a cover for what really hides in the shadows, and that her life as a human is a deception to mankind, a guise to conceal her true nature. Will she shun the darkness that has befallen her or step up to the throne and become what she was created to be? **\*\*WARNING: Not suitable for the faint of heart, prudes or those easily bothered by strong language, urban dialect, demon and vampire seduction, dark, smutty sex and extreme violence.\*\*** Consider yourself

warned. :)
