

Meet the first three fabulous billionaires and the smart, sexy, women who tame them in this bundled set of books 1-3 of the Eligible Billionaires Series. Cole Jackson in **CANT BUY ME LOVE** is a true alpha with a bad-boy love em and leave em attitude. Whip smart with a wicked sense of humor and a wonderfully slow hand. Hes truly met his match in Meg Parson, his former executive assistant. She is just as smart and just as determined. By the end Cole is begging for Meg to stay. Tristan Rhodes in **ONE NIGHT FOR LOVE** is a tortured soul who dismantles companies piece by painful piece. Prim Baxter (Meg Parsons best friend and former b-school classmate) is having none of Tristans bull! Shes built Metro Media from the ground up, alongside the now distraught and former Metro Media owner Ryan Murphy. Prim spent every ounce of her time and energy trying to prove to Tristan that he should keep Metro Media as a whole company. All the while fighting her outrageous attraction for Tristan. Nick North in **A CHRISTMAS BILLIONAIRE** is strong, cold, and unattainable. His heart was destroyed when the woman he loved ditched him on Christmas Eve many years before. Guess whos baaaack! Yes, its Noel Klaus, the love of Nicks life. She is making his Christmas season a living hell with her community activism that prohibits him from knocking down a retirement home in which Noels grandmother lives, so that he can build a mall. Nick and Noel heat up those long cold Chicago nights.
