

Sometimes your first love doesn't equal your true love. Jason Sladerman is Charlie's one. For him, she would adjust to a new city, deal with sudden fame and fandom, and change her life. But never did she think she'd have to tolerate sudden obsession. Yet that is what Reagan Westcott feels for Charlie's man. She infiltrated Charlie's life, made her believe in their friendship, but only to get closer to Slade. Charlie knows, and is finally starting to trust her instincts, that Reagan is manic over him, stalking him, sick over him. Until the email. Now Charlie doesn't know who's true and who's false, who loves her and who hates her. Her one true friend, Lara, is too preoccupied with her own love life to notice Charlie's faltering. Slade's too involved in proving his innocence to notice the danger. Reagan doesn't care about anyone but Slade and will do anything to get to him. And Nate wants Charlie so much he turns a blind eye to everything but her. Their misguided dreams are their greatest mistake. Murder's on the horizon, and while everyone holds on tight to their sacred wishes, someone uses that chance to sneak by. And kill. In Ketley's fourth installment of the Snapped Novella Series, the question is no longer who will snap, but who did. Start at the beginning. Question them all. SNAPPED, Part 1
