

Jeze is on a mission of mercy: to replace a tragically deceased comic book for his injured best mate, Tel. Venturing into the Hidden Asteroid bookstore in London — the temple of geekdom itself — Jeze is bowled over by the guy behind the counter. Rhys is the poster boy for hot geeks: tall, gorgeous, and totally cool. Jeze is desperate to impress him, so he bluffs his way through comic book jargon ... and then dashes back to the hospital to beg Tel to teach him how to speak Geek. Tel's happy to oblige, and Jeze is over the moon when Rhys asks him out. He's even more thrilled when they discover a shared love of rugby, something he won't have to fake for Rhys. The question is, how long can Jeze keep up the deception, and what will happen when Rhys realizes he's going out with a Fake Geek Guy? Word count: 13,600; page count: 57
