

What happens after the happily ever after? Is that all there is? Marriage, career, kids, and you're set? Life, love and the pursuit of happiness doesn't stop at til death do us part. For Izzy & Diego it's just the beginning. Forever and ever, I do is not as easy to accomplish as is saying it. In real life, there are ups and downs, ins and outs. Along with the good comes the bad. With health, there's sickness. Is love enough? Is it forever? Will it survive?

 ***** Our story starts with the proffered happily ever after moment: a bride in a dress, a groom in his tux, a best man, a maid of honor, vows of love and forever and Elvis. Like most fairy tales, Diego and I were still madly in love after saying, I do. Hell, the man has turned loving me into an art form. Not a moment is wasted. With him there's a surprise at every turn, and just when I think he couldn't get any better, he takes my breath away.
