

READ THE BOOK DONALD TRUMP REFERENCED AND READ IN HIS MAJOR ANTI-HILLARY CLINTON SPEECH. In 2000, Bill and Hillary Clinton owed millions of dollars in legal debt. Since then, they've earned over \$230 million. Where did the money come from? Most people assume that the Clintons amassed their wealth through lucrative book deals and high-six figure fees for speaking gigs. Now, Peter Schweizer shows who is really behind those enormous payments. In the New York Times bestseller Clinton Cash, he follows the Clinton money trail, revealing the connection between their personal fortune, their "close personal friends," the Clinton Foundation, foreign nations, and some of the highest ranks of government. Now, with Hillary on the verge of winning the presidential nomination, the questions it raises are more important than ever. Schweizer reveals the Clintons' troubling dealings in Kazakhstan, Colombia, Haiti, and other places at the "wild west" fringe of the global economy. In this blockbuster exposé, Schweizer merely presents the troubling facts he's uncovered. Meticulously researched and scrupulously sourced, filled with headline-making revelations, Clinton Cash raises serious questions of judgment, of possible indebtedness to an array of foreign interests, and ultimately, of fitness for high public office. A new documentary to be released will continue to push the revelations in Clinton Cash.
