

From the bestselling author of *Just Remember to Breathe* Its real. Its raw. Its ugly. Its beautiful. -- Andrea Randall, Author of *In The Stillness* and *Jesus Freaks Everyone* should have something to rebel against. Crank Wilson left his South Boston home at sixteen to start a punk band and burn out his rage at the world. Six years later, hes still at odds with his father, a Boston cop, and doesnt ever speak to his mother. The only relationship that really matters is with his younger brother, but watching out for Sean can be a full-time job. The one thing Crank wants in life is to be left the hell alone to write his music and drive his band to success. Julia Thompson left a secret behind in Beijing that exploded into scandal in Washington, DC, threatening her fathers career and dominating her familys life. Now, in her senior year at Harvard, shes haunted by a voice from her past and refuses to ever lose control of her emotions again, especially when it comes to a guy. When Julia and Crank meet at an anti-war protest in Washington in the fall of 2002, the connection between them is so powerful it threatens to tear everything apart.
