

She agreed to everything but sex. She hadn't counted on his monstrous creativity. Since the day three incredibly hot men in disguise walk into her office and proved Monsters are real, screenwriter Jane Darby is obsessed with one task: to give the creatures a mythical makeover by writing a revolutionary, blockbuster screenplay. Michael is fascinated by the demure and docile Jane, whose efforts to hold him at arms length hide an untapped sexual passionate beast within her waiting to be set free. There's only one way to get under her lovely skin: strike a bargain. For one week, she agrees to let him do anything, anything, he wants. But Jane's got conditions. First, no actual sex. Second, she has to enjoy it. What can happen if he sticks to the bargain? After all, she's not really turned on by the idea of Michael tying her down. Or bending her over his knee. Or Gulp. Warning: contains hot sex, spanking, ice, light bondage, anatomically dubious positions and misuse of an electric toothbrush.
