

The Last Liquid Jewel Past Title: For the Love of Bara Barra of Harris was born in the 1600's as a twin bastard son of the Laird of Harris. Now being grown man of thirty, he had many reasons for being a recluse and didn't wish to have close contact with anyone...except maybe occasionally the Queen of the Fae. Yes, Oona visited Barra often to verbally spar with him as well as try to seduce him every time they met. But Oona also knows Barra's destiny. And aside from her passion for the huge Scot, she knows he is linked to the war between the Light and Dark Fae. Barra is her knight in this deadly game of chess within the Fae Realm power struggle. She loves Barra yes, but she also knows he has a soul mate, a fated love that is waiting for him in the twenty-first century. Together these two lovers will change the fate of Earth. This precious liquid jewel that has been guarded for millennia by the Fae Realm will become their mission. While most humans are unaware of the Fae or the power struggle going on in their midst, Barra is sent by Oona into the twenty-first century meeting in true love, Bethany Argyle. FBI Agent, Bethany Argyle. The instant bond between Bethany and Barra and meeting the MacKay's in Texas signals the beginning of Barra unfolding the plot devised by the Dark Fae to destroy and take over Earth. Barra finds out from Oona that he was sent to make war with the Dark Fae but the 'humanity' in him runs too deep and his 'second sight' shows him there are options. With Bethany and his adopted family, Barra makes way for a new era in Fae history for Earth, for the Human race, and for his own happiness with
