

This starter collection has been put together so that readers can sample three different genres under the Lillianna Blake author name. All of the books are clean in terms of language and content. Below is a brief description for each series. Single Wide Female (chick lit) The Single Wide Female books are written for every woman out there who has struggled with their weight, self-esteem and any number of issues that we all face as we work to become the best versions of ourselves that we can be. They are meant to be light-hearted and fun, but I do hope that they will inspire you—to REALLY live your life to the fullest, loving yourself completely as you do so.

Becoming Zara (chick lit) Becoming Zara and the B.I.G. Girls Club series are books written by fictional character, Samantha Bradford, of the Single Wide Female: The Bucket List series. Becoming Zara is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book) in that series. Summer in Diamond Bay: A Nanny Blu Cozy Mystery Series Blu Parker, nanny extraordinaire, is on a mission to make this the best summer ever for her and the two kids she cares for—something that's not difficult to do in the sweet little beach community of Diamond Bay. #1 Lifeguards and Liars Unlike many of the other younger nannies, twenty-eight-year-old Blu hardly notices Mr. Hottie lifeguard...until she gets news of his death one morning—and then, what's described as an accidental drowning, is all she can think about. The local police chief is about to meet one determined young woman, who isn't only interested in getting her summer

tan. Nanny Blu's curiosity and natural instinct for justice will have her seeking out more than play dates as she finds herself firmly involved in the middle of the investigation. **Forty and Free: A Sweet Romance Series**

The **Forty and Free** series features women finding themselves and love again. Many of these women will overcome the obstacles, fears and pain brought on by past heartbreak. Others will undergo a shift within themselves as they make room for unexpected love in their lives. **To Love Again (Forty and Free, Book 1)**

At forty-two, divorced mother of two, Nicole Adams, yearns to discover her true self again. Her children recognize the defeat and sadness in her eyes and she knows that her kids deserve to see their mother happy. When Nicole follows the suggestion of a friend to go on a spa getaway during a time that her children are away with their father, she does so believing that it might lead to the self-discovery she is seeking. What she ends up finding at the Cielo Spa & Resort is much more than what she bargains for. What she ends up finding at the Cielo Spa & Resort is Gavin Bell. Gavin Bell is a successful businessman who only cares about his clients and getting the job done—it's how he's always defined his life and it's also the thing that led to the downfall of his marriage. But he hasn't found a good reason to change his ways—it helps him to ignore any hints of loneliness or regret about his past mistakes. When Gavin's boss and best friend sends him away to a spa in the mountains for a break from work, Gavin is anything but pleased about it. He decides that he'll spend the time in his room on his computer working, but

while checking in, he meets a woman that he can't get out of his mind. Both deceived about the Cielo Spa & Resort by well-meaning friends, Nicole and Gavin find themselves amongst individuals looking for love—a fact that neither of them is pleased about. They'll make the best of a night—or two, if a shared meal convinces them that an initial spark just might be turning into something more.
