

My Black Cat

Remembering My Sweet Fur Baby

written & illustrated by
Cynthia L. Johnson

Grief. This is based on our true story. We are still grieving the death of our beloved cat. Everyone deals with grief differently. For me, one way was to write this story. It is told through the perspective of a child.

The story talks about the special pet prior to crossing the Rainbow Bridge and the sadness afterwards. The child not only shares personal grief but also shows how the whole family is affected.
