

Odessa Trodat started her day excited to do a little shopping in Puerto Vallarta. Nearly kidnapped by human traffickers, she was saved by Saxton Blakemore, only to find herself in a bigger pickle; handcuffed and married to him. This created an even bigger problem since her husband was a mule for a drug cartel. Saxton Blakemore wasn't happy with the turn of events either. His attempts to help the young woman was not turning out as he had hoped. He promised to get her home in one piece, but each moment spent in her presence, only intensified his attraction to his pretend wife. In order for them to get out of Mexico alive, they both understood, she would need to be very convincing at being Mrs. Blakemore.
