

La confianza está en la base de todas las ventas. Este libro te acerca al mundo de la neurociencia para explicar la base científica de la confianza y ayudarte así a determinar tu propia credibilidad como vendedor. Te revelará partes del cerebro que se activan durante el proceso de compra y te proporcionará un modelo de compromiso del cliente, que presenta las soluciones de tal manera que los mismos clientes serán los que cierren la venta, una y otra vez. Adquiere un conocimiento más profundo del cerebro humano y descubre una nueva forma de comunicarte con tus clientes.
