

(This book includes mature content, including sex and language. Recommended for ages 18+) 22-year-old Camryn Jacobs lost the love of her life once and vows to never kiss another guy unless she's in love with him. When she meets Teague, their attraction to one another is off the charts, and for the first time in two years, she wants to disregard her rule. But Camryn makes a bet that he can't go just one week without kissing her. She's protecting her own fragile heart, but her wit and smart mouth end up driving Teague crazy. When Teague is equally skilled at her challenge, their friendship turns complicated. He's not at all what she assumed, and he makes her feel things she never expected to feel. But sharing her true reasons for the no-kiss bet hurts too much and she keeps him in the dark. Teague has his own secrets to hide, starting with his last name. It's the reason he left town--to lick his wounds until he can piece his life back together. His time with Camryn proves that it might actually be possible, but with the threat of his family and his past ruining all that he's finally gained, can he really take that risk again? Loving might be easy; learning to trust again could be too difficult to achieve...
