

The papers sent in by women to the London Conference have been forwarded to England with instructions from the Executive Committee that they should be brought out in a separate volume, so making a third in a set of three Books which are to be issued in America, India and England as the outcome of the Conference. This is the Women's Volume, and we send it forth, with a prayer that God may use it to stir into flame the embers of devotion to the cause of Moslem Women which are as yet only smouldering in the hearts of Christian Women. The Committee of the London Conference say to us Go forward and God be with you, and we desire unitedly to receive our Plan of Campaign from above. Our first duty is to carry out the Resolutions of the Conference which, with the appeal of the women delegates, are printed at the close of this book.
