

Following in the tradition of her bestselling *Life Is a Verb*—a guide to living life more consciously—Patti Digh returns with this deceptively simple gathering of touchstones, *Your Daily Rock*. With her signature gift of presenting truths in concise heartspeak, she provides short meditations to ground each day in more mindful and intentional living. The three hundred and sixty-six reflections (one for each date, including February 29th), lead readers to open space in their lives in order to love well, live fully, let go deeply, and make a difference.
