

He bent his neck down to kiss me and I leaned up to receive it. His kisses were always touched with heat. That same heat that kept me warm on the back of his bike on a cool Irish night seemed to flow from him when he touched his lips to mine. At first I thought I was imagining it - that it was just the excitement of the moment that made me feel warm and flushed, but after two months of his attentions I was certain of it now. In the exciting sequel to Angelica Siren's best-selling romance *Riding Irish*, Cat continues her adventure with the wildest motorcycle club in Ireland - the Druids. Her relationship with the Druids' fearsome leader Ronan has blossomed into something more powerful than either of them had ever expected. Now, a mysterious figure from Ronan's past has come into town and the two of them have to come to grips with what that means for the future of the club and their relationship. In this brand new story of the Druids, Cat and Ronan have to confront the truth about the lengths each is willing to go to for one another. Passions ride hard through this story of longing and burning desires. The heat is on and Ronan must answer the call to action. Will Catrina be able to withstand the pressure? This 11k word story contains graphic depictions of sexual situations between consenting adults. From the bedroom to the clubhouse, *Northern Sons* is packed with action and lust just the way you like it.
