

Travel through time... Both sisters lost to the mists of time. Check. Attempted murder. Check. Actually traveling through time to medieval England? Triple check. Beware ghosts trying to help... Charlotte Merriweather didn't plan to steal the gorgeous low-slung sports car. But in her defense it was just sitting there running, with the door open, beckoning her. A terrible accident sends her traveling through time to 1330 England. Surely the handsome knight of the castle will aid her in the search to find her missing sisters? Henry Thornton has sworn never to marry. Even if he is enchanted by the odd woman he finds washed up on the shore. Will he aid her and send the lady on her way. Or not. As the castle falls under siege trapping Charlotte and Henry within the stone walls, will they risk everything for a chance at a love meant to last forever?
