

Part One Cannon Arrington has pushed aside a social life to dedicate his time to medical school, extracurricular activities, and helping others ... that is, until he lays his eyes on the angelic face of Yasmine Dubose. For Cannon, meeting her was a breath of fresh air. Something about the bubbly, sexy teacher makes him realize he needs to stop and smell the roses. Yasmine has had a crush on Cannon since high school, but he'd never noticed the nerdy freshman. Now she's blossomed into a woman who's full of life. She knows Cannon's drive for success is important to him, but she fears he'll become even more of a workaholic than her father, who died when she was a child. Will Cannon settle down and learn how to balance his career and love life, or will he lose the simply amazing woman who has stolen his heart? Part Two Dr. Cannon Arrington's mission is to help people in need. But when his ex fiancée re enters his life after twelve years, he has a new mission. Never let her get away again. Yasmine Dubose never stopped loving Cannon. Instead, she learned to live without him, guarding her heart in the process. However, when they are brought together to plan a wedding for their best friends, Yasmine is faced with the challenge of following her heart this time around or risk losing the only man she's ever loved.
