

(No changes have been made to the content of the book - only the cover) Wealthy family... Childhood tragedy... A love defying all odds... Secrets in the Air Flying is in Rhett O'Neil's blood. And nothing makes this pilot fly higher than wrapping himself in his husband Kaden's arms. He's thrilled when his grandfather entrusts him with O'Neil Airways, the family's charter airplane business. With a mix of humanitarian and corporate clients, Rhett plans a bright future where his success improves the world. Elise, Rhett's mother, begins offering advice to "help" her son through the transition into increased responsibility. As evidence surfaces that her words are escalating into devastating actions, the truth comes out about the death of Rhett's sister Annabelle. Kaden has to race to protect his husband and himself from the consequences of the Secrets in the Air before it's too late.
