

Beth founded her service, Limited Partnerships, for one reason—to give the rich and powerful women she knows the escorts they deserve. Each of her men are carefully selected, uniquely suited for their work and enthusiastic about their jobs. But as lucrative as the business is and as dedicated as her employees are, every business has its problems. When it comes to Limited Partnerships, most of the problems have something to do with the heart. The Limited Partnerships Series is four novellas featuring Beth's most desirable employees. Charlie's client wants to remain incognito. When he finally recognizes her, he realizes she's his most precious wish and also his most overwhelming humiliation.
