

Andy Foster never expected lightning to strike when she met the enigmatic frontman of an up-and-coming rock band, but Giovanni Carnevale left her thunderstruck. At first it is easy to use her freelance writing career as an excuse to indulge the steamy flirtation from city to city. As she gets ever closer to making her lascivious fantasies a reality, however, she finds herself entangled in the fake and sometimes dangerous world of celebrity where nothing is as it seems, including the celebrities themselves. One thing becomes clear during their tumultuous three-year courtship. They are bound together by something neither can fight, something that draws the ire of another fan determined to claim Vanni all to herself. Unknowingly they all race toward a dramatic moment of truth that will leave two people injured, and one dead, with a twist of an ending you may never see coming. In this first book of the Groupie Saga, author Ginger Voight brings Rubenesque romance to life through a curvy heroine and the sexy rock god who wants her. It is the ultimate fantasy for anyone who has ever indulged a celebrity crush. How far would you go to be with your idol? Adult content intended for readers 18+.
