

In her eight years as editor-in-chief of the women's bible, *Cosmopolitan*, Kate White has learned a lot about what women want. From landing a great job to enjoying great sex, White presents 86 enticing lessons on having it all--complete with anecdotes and tips from her own life and the celebrities and experts she's met. Whether it's when to act like a bitch and when not to, or how to get a man to really open up or discovering the moan zone on a man's body that most women ignore, White tells women everything they ever needed to know to take on the world.
