

The last thing the world needs is another get-rich-like-me, self-proclaimed expert on what it takes to work for yourself. Anti-guru Paul Jarvis has written *Everything I Know* as a no-rules guide through uncharted territory with stories based on his two decades of freelancing. Instead of offering one-size-fits-all advice, Paul provides an infinitely flexible template for adventure. There is a better, more satisfying path out there, if you're willing to take risks and explore new territory. This book provides practical ideas and questions to help you conquer fear, overcome inertia, embrace vulnerability, validate your plans and most importantly, launch them. How and where you go next is entirely up to you. "Paul Jarvis is a lively, talented and incredibly insightful writer." —Maccabee Montandon, *Fast Company* "Paul Jarvis is the friend that every creative needs: friendly, whip-smart, & willing to give you a kick in the ass every now & then." —Sean Blanda, *Adobe/99u*
