

The 2009 edition of this publication provides comprehensive data on the volume, origin and types of aid and other resource flows to around 150 developing countries for the period 2003-2007. The data show each country's intake of official development assistance and well as other official and private funds from members of the Development Assistance Committee of the OECD, multilateral agencies and other key donors. Key development indicators are given for reference. Table of Content :
