

Its summer on the Isle of Man and Andrew is looking for hot girls and good times. So when he meets the dreamy and seductive Margaid, he thinks hes hit the jackpot. There are only a couple of minor problems: Margaid lives in a cave under the sea, is invisible, and thinks that only Andrews blood can save her from turning into a water horse! But hey, whoever said love was perfect!? This short, single title comedy romance takes place on the island of the Celtic pagan god Manannán mac Lir. Its full of witch and wizard type fey magic and lots of romance and laughs.

Professional Reviews: A Fine Cauldron Of Fish is a very funny story of gods and sidhe on the Isle of Man. This is just a quick, fun read and one I highly recommend. Reviewer Chere Gruver of Paranormal Romance “What do you get when two clumsy people get together an outright laugh a minute comedy in A Fine Cauldron of Fish. A Fine Cauldron of Fish is the second book I have read by Ms. Amiri and I was happy to experience that Cornelia is such a universe writer from historical romance to now comedies but with still keeping her uniqueness that her fans love.” Reviewer by Cheryl Koch of Cheryls Book Nook “A Fine Cauldron of Fish is hilarious. I laughed out loud several times through this story. Finding stories so creative and full of wit is a joy and I thoroughly enjoyed this one. If you like things a bit out of the ordinary and are in the mood for a fun light-heart read, then I recommend this.” Reviewer Vee at Night Owl Romance Book Reviews
